

Steven D Smith

Managing Director
Ambata Securities LLC

Steve currently serves as a Managing Director at Ambata Securities LLC, a global investment advisory firm specializing in clean energy and sustainability. Steve is also a partner in the Stamford Center for Innovation.

Steve also provides consulting and advisory services working closely with corporate venture/equity groups at GE, ABB and Nike and with funds such as Pegasus Capital, Missionpoint Capital and Ritchie Capital, while helping early/growth stage companies develop strategies and raise capital.

Steve has also served as an advisor for Nike, Onvia, Akonni Biosystems, Validus DC, Tiba, Tapergy, C-SAM, Dinova and Nirvana Solutions. Steve has also recently served as board member at Onvia (ONVI), Xcelaero/Aeromech, The Patent Board/IPIQ and Serenex (Pfizer).

In addition to his core advisory efforts, Steve is active in sustainable development through his roles with TERI-NA, the Delhi Sustainable Development Summit, the Illinois Institute of Technology School of Design, the Rapid Results Institute, Save China's Tigers and as a nominator for the Zayed Future Energy Prize. Steve has a long background in global sustainable development and emerging technologies and has been a frequent contributor to the Delhi Sustainable Development Summit, the Tallberg Forum, the Bellagio Group, the Future in Review (FIRE) and LOHAS.
