

Prof. Timothy G Gregoire

J. P. Weyerhaeuser Professor of Forest Management

School of Forestry & Environmental Studies

Yale University

Timothy G. Gregoire holds the J. P. Weyerhaeuser Professorship in Forest Management at the School of Forestry and Environmental Studies at Yale University. Formerly Associate Dean, he has been the chief liaison with TERI since 2001. Author of three books and >100 articles in scientific journals, his scholarly interests span many applications of statistical methods in the fields of forestry and environmental sciences. Presently he is helping the government of Bhutan to implement its national forest inventory. He is an elected Fellow of the American Statistical Association, and former President of the International Biometric Society.
